

# HOW IT WORKS

- Complete and color in the prompts to get entries into the grand prize drawing.
- Books can be started before June 2nd, but any books FINISHED before then do not count towards the prompts.
- Audiobooks, graphic novels, and books you already own count!
- The only time a single book can count towards two prompts is a Book Box book & the matching cover color prompt.
- Each completed prompt is good for a single entry.
- Complete all nine reading prompts to get three extra entries.
- Complete all five program prompts to get eight extra entries.
- Complete the entire board for five extra entries, for a total of 30 entries (14 individual+3 reading+8 program+5 complete).
- Once you have completed all the prompts you can, turn it in at the front desk of the library and we will take care of the rest!
- All challenges must be turned in by Saturday, August 2nd.
- Winner announced Monday, August 4th!
